Styling will be worked on from Eugene side as Mr David stated for common layout.

Cataloguer Dashboard

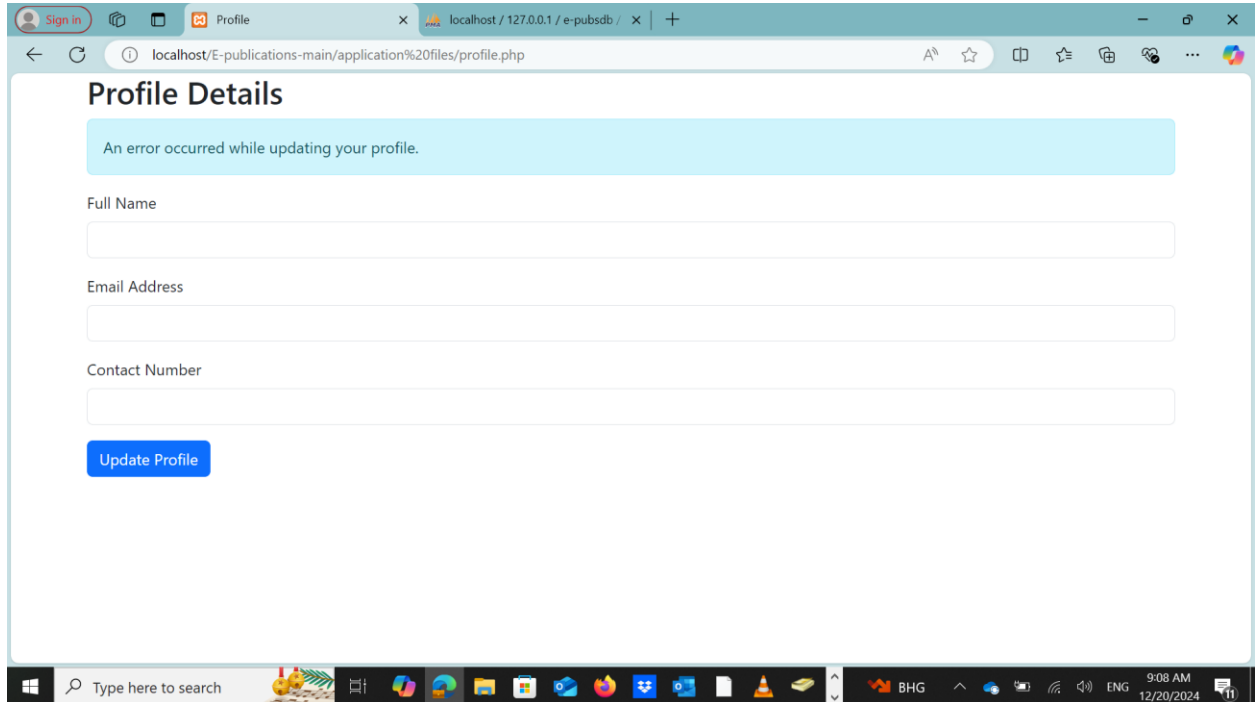

The screenshot shows a web browser window with the URL `localhost/E-publications-main/application%20files/dashboard.php`. The page title is "Assigned list of catalogues". On the left is a dark sidebar with the following menu items: "Cataloguer Dashboard", "Dashboard", "Profile", "Notifications", and "Logout". The main content area displays a table with the following data:

ID	Title	Description	File	Downloads	Action
1	Academical	View Details	View File	0	Download 
2	fhghgf	View Details	View File	0	Download 
3	fhghgf	View Details	View File	0	Download 
4	fhghgf	View Details	View File	0	Download 

The Windows taskbar at the bottom shows the time as 9:00 AM on 12/20/2024.

- Dashboard – navigate to the dashboard.

- Profile for editing profile

Sign in Profile localhost / 127.0.0.1 / e-pubsub / x +

localhost/E-publications-main/application%20files/profile.php

Profile Details

An error occurred while updating your profile.

Email Address

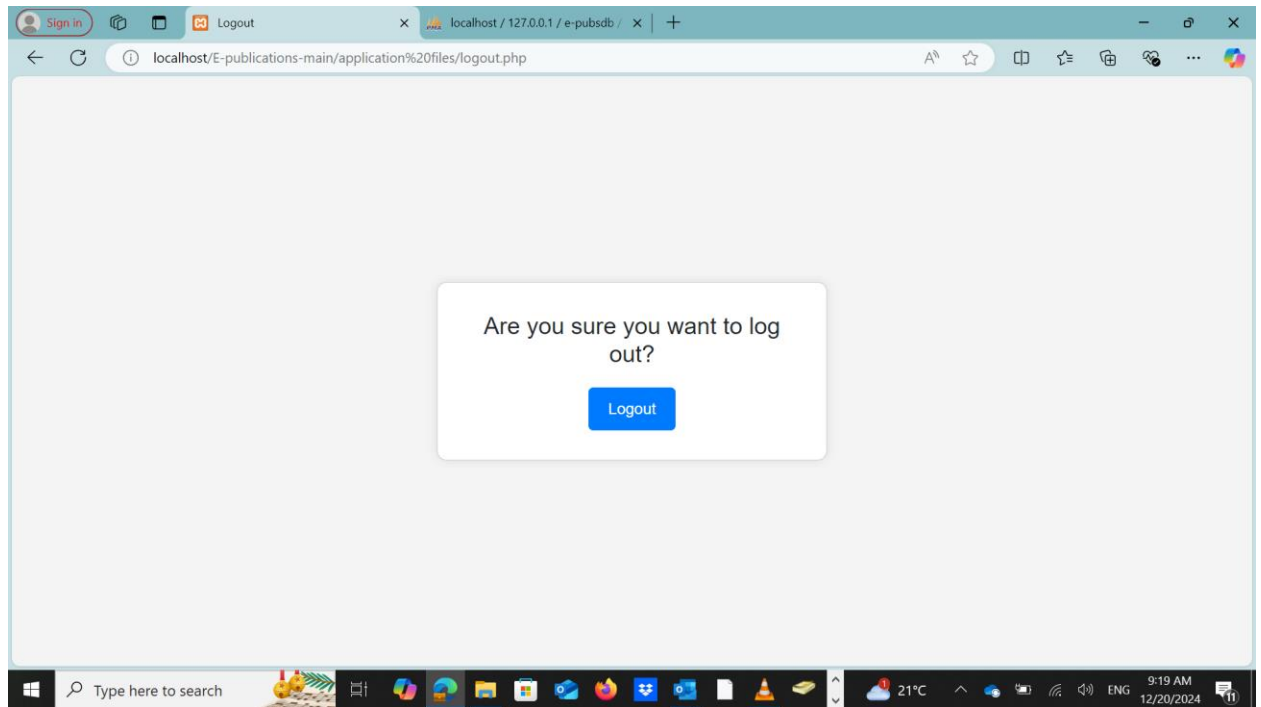

Contact Number

Update Profile

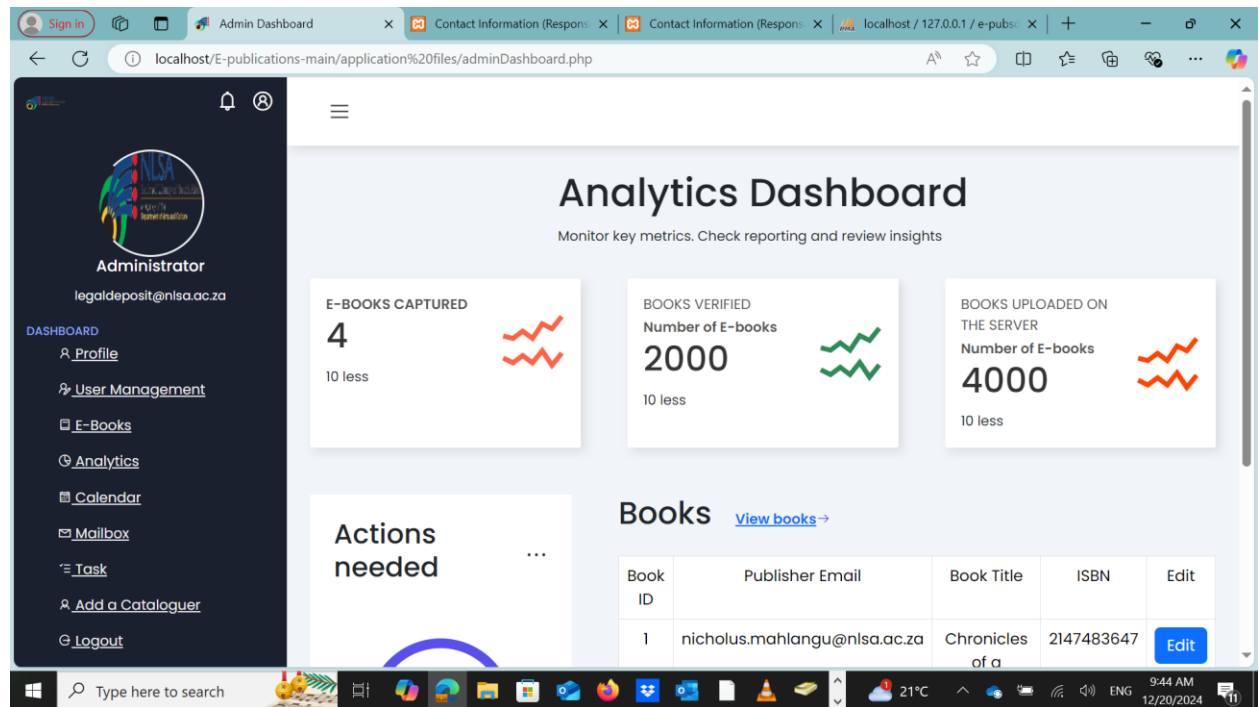

Type here to search BHG 9:08 AM 12/20/2024

Profile is not fully functional the code does not update the database user account.

- **Notification** – Notification successfully updates the table,
NB: it needs to be linked to the admin so that when admin assign the task,
cataloguer can receive notification of the assigned task
- **Logout** – Fully functioning, can only be styled further.

Admin Dashboard

This two below can be under dropdown

Profile – Add list of cataloguers for admin to review and include edit profile for admin to edit the email or any changes required

User Management

~ Admin will have privileges to accept new users,

NB: Remove add cataloguer and you can include such information under user Management. It can also work to approve cataloguer **signup**

E-Books – this will list all the books available in the system and have a search and sort functionality

Analytics

List of all analytic, eg (number of books uploaded, number of books verified and number of books unverified).

MailBox

- For all email notification which will be received after Publisher send the EBook.

Task

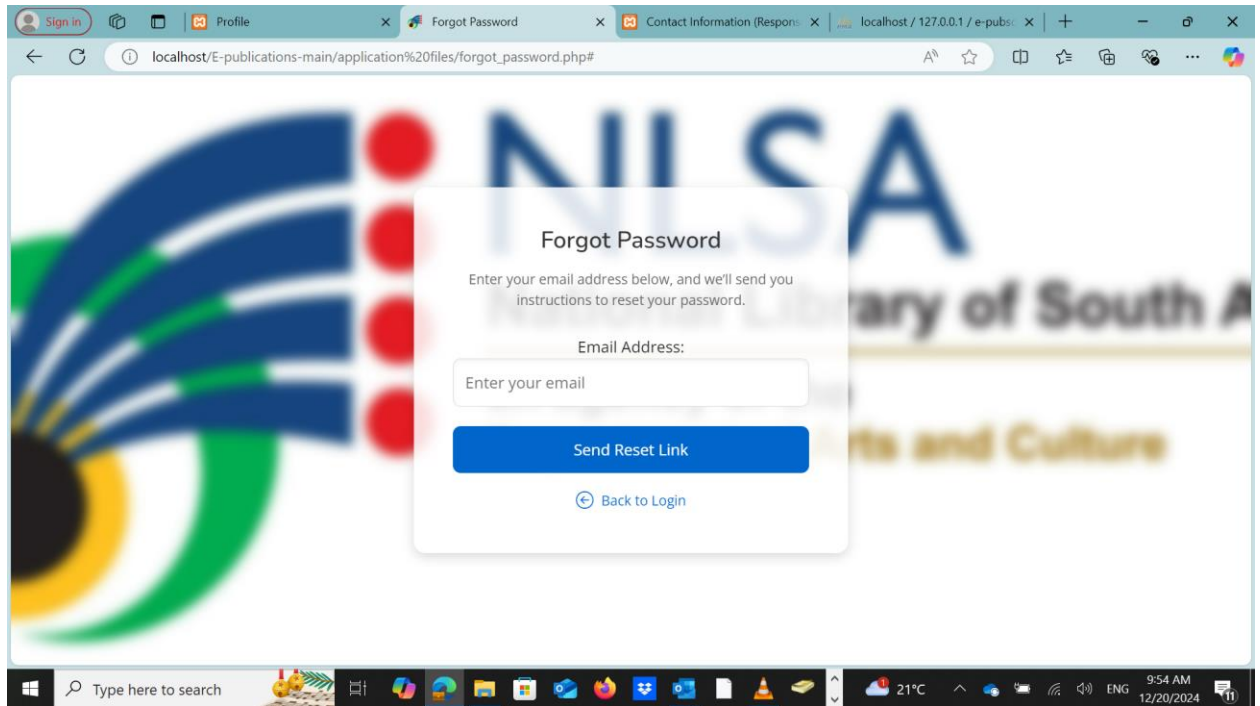

All the task which will be assigned to each cataloguer in this page

NB: we will have a table of assigned task to cataloguers which is the same table will be displayed on the cataloguer dashboard for assigned tasks.

Logout

Fully functioning

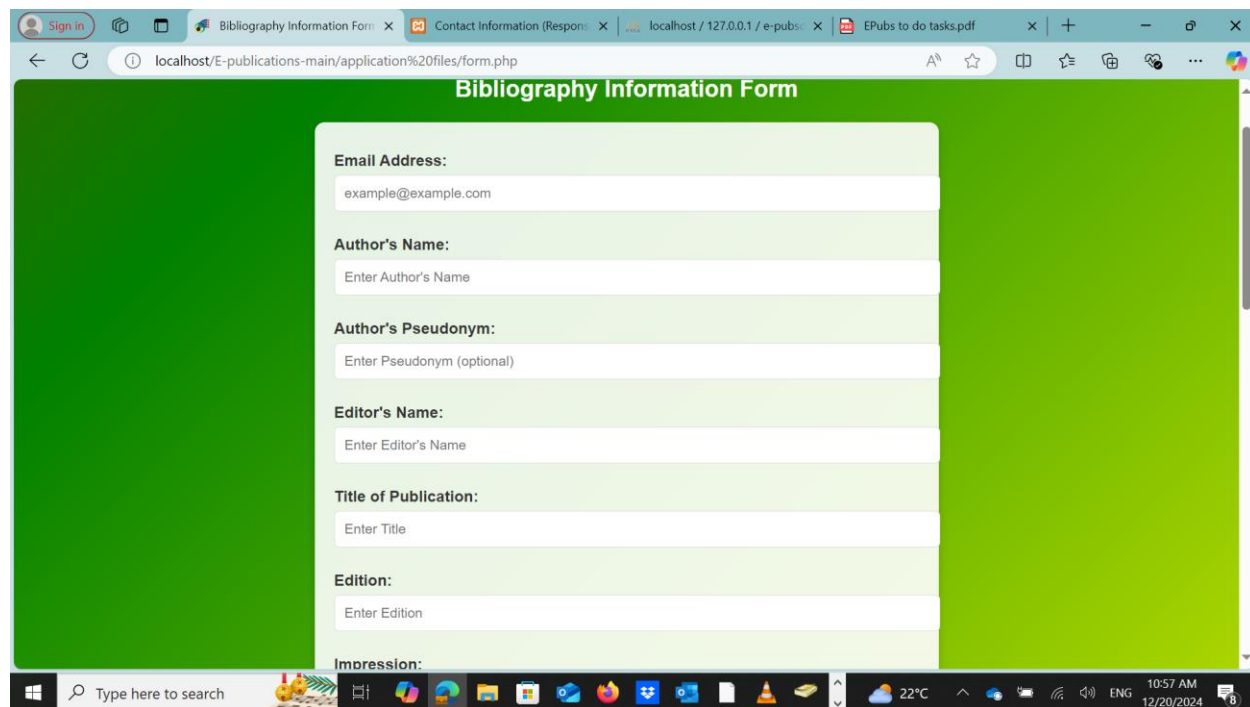

Forgot Password

The screenshot shows a web browser window with the URL `localhost/E-publications-main/application%20files/forgot_password.php#`. The page displays the NLSA logo in the background. A white modal box is centered on the screen with the title "Forgot Password". Inside the modal, the text reads: "Enter your email address below, and we'll send you instructions to reset your password." Below this is a label "Email Address:" followed by a text input field containing the placeholder "Enter your email". A blue button labeled "Send Reset Link" is positioned below the input field. At the bottom of the modal is a link that says "Back to Login" with a circular arrow icon. The browser's taskbar at the bottom shows the Windows logo, a search bar, and various application icons. The system tray on the right indicates a temperature of 21°C, the time 9:54 AM, and the date 12/20/2024.

Not fully functional, the email is not sent yet.
